

**Date:** Sunday May 2, 2010

**Presentation:** S1080

## **The Relationship Between Symptom Response, Esophageal Eosinophilia and Wall Distensibility in Eosinophilic Esophagitis - A Pilot Study Following Proton Pump Inhibitor Therapy**

**Authors:** Monika A. Kwiatek, Ikuo Hirano, Daniel Luger, Peter J. Kahrilas, Nirmala Gonsalves, John E. Pandolfino Dept. Medicine, Div. Gastroenterology, Northwestern University, Chicago, IL, United States.

**Presentation Time:** 8:00 AM - 5:00 PM

**Date:** Monday May 3, 2010

**Presentation:** M1361

## **Can Band Fill Volume Predict Gastric Band Stoma Size?**

**Authors:** John O'Dea<sup>1</sup>, Robert G. Snow<sup>2</sup>

<sup>1</sup> Crospon, Galway, Ireland. <sup>2</sup> Specialty Surgery Center of Fort Worth, Hurst, TX, United States.

**Presentation Time:** 12:00 PM - 2:00 PM

**Date:** Tuesday May 4, 2010

**Presentation:** 595

## **Functional Lumen Imaging Probe to Assess Geometric Changes in the Esophagogastric Junction Following Endolumenal Fundoplication**

**Authors:** Toshitaka Hoppo, Barry P. McMahon, Bart P. Witteman, Stefan J. Kraemer, Robert W. O'Rourke, Flemming H. Gravesen, Blair A. Jobe Division of Thoracic and Foregut Surgery, The Heart, Lung and Esophageal Surgery Institute, University of Pittsburgh Medical Center, Pittsburgh, PA, United States.

**Presentation Time:** 10:14 AM - 10:21 AM

**Date:** Tuesday May 4, 2010

**Presentation:** 873

## **Mechanical Properties of the Esophageal Body in Patients With Eosinophilic Esophagitis (EoE): A Pilot Study Using the Functional Luminal Imaging Probe (Endoflip<sup>®</sup>)**

**Authors:** Monika A. Kwiatek, Daniel Luger, Ikuo Hirano, Peter J. Kahrilas, John E. Pandolfino Dept. Medicine, Div. Gastroenterology, Northwestern University, Chicago, IL, United States.

**Presentation Time:** 4:15 PM - 4:30 PM

**Date:** Tuesday May 4, 2010

**Presentation:** T1907

## **A Novel Distensibility Technique for Measuring Upper Esophageal Function- Pilot Data**

**Authors:** Julie Regan<sup>1,3</sup>, Barry P. McMahon<sup>2,3</sup>

<sup>1</sup> Speech & Language Therapy, Adelaide and Meath Hospital, Dublin, Ireland. <sup>2</sup> Medical Physics and Bioengineering, Adelaide and Meath Hospital, Dublin, Ireland. <sup>3</sup> Dept. of Clinical Medicine, Trinity College Dublin, Dublin 2, Ireland.

**Presentation Time:** 8:00 AM - 5:00 PM
